

Maintenance Choice®

Save with 90-day supplies

Maintenance Choice helps keep your medication as affordable as possible with 90-day supplies. But you may need to make a few changes to enjoy these savings.

Make sure your medication is covered

First, start filling medications you take regularly (such as diabetes, asthma or high blood pressure medications) in 90-day supplies. Second, be sure to fill at CVS Pharmacy® or CVS Caremark® Mail Service Pharmacy. If you fill in 30-day supplies or at another pharmacy, they won't be covered and you'll pay the entire cost.
