

HSA PLUS MOBILE APP

Manage your account from the palm of your hand.

Want to check your account balance and submit receipts from anywhere? There's an app for that!

The HSA Plus mobile app lets you easily and securely access your account(s), submit claims and upload receipts at any time.

Easy, convenient and secure

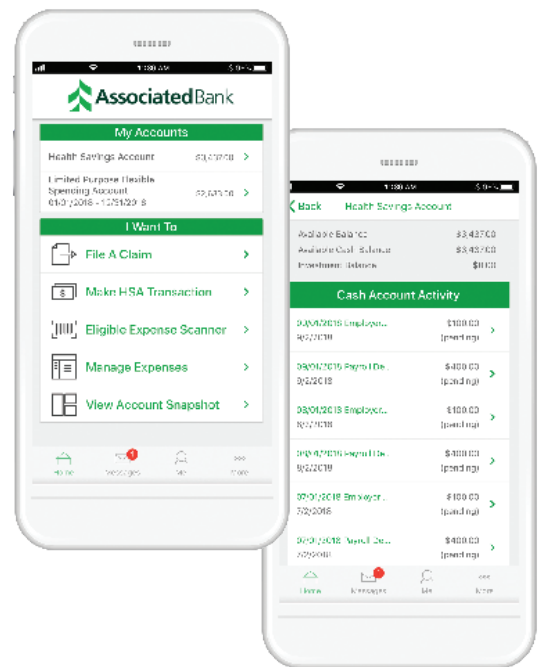

With the HSA Plus mobile app, you can get the information you need—fast.

- Quickly check available account balances and account details.
- View charts summarizing account information.
- Follow links to obtain helpful information such as a list of eligible expenses.
- Retrieve a lost username or password.
- Use your device of choice—including iPhone®, iPad®, iPod touch® and Android™ smartphones and tablets.
- Enable Touch ID, Face ID or PIN access.
- Use the convenient bar code scanner to determine qualified medical expenses.

Tap and take action

Make a claim, capture a receipt or take any number of actions—whether you're at home or on the go, with the HSA Plus mobile app, you can get it done fast and enjoy the rest of your day.

- File a claim towards supported reimbursement plans.
- Snap a photo of a receipt and submit with a new or existing claim.
- Contribute funds to an HSA account.
- View Transactions.
- Quickly enter and view expense information and receipts.
- Report a debit card as lost or stolen.
